

# Sync & Charge 240W USB4 Power Display Cable - Black (31849)

<b>Reorder Number</b>	31849
<b>Pack Size</b>	1 each
<b>Brand</b>	Verbatim

Designed for high-performance devices, the Verbatim Sync & Charge USB-C® to USB-C® USB4 Cable delivers ultra-fast charging and data transfer. Whether you're working with demanding applications or transferring large files, this cable offers unmatched speed and power, making it ideal for the latest USB-C devices.

With support for Power Delivery (PD), this cable delivers up to 240W of power and data transfer speeds of up to 40Gbps, ensuring you stay quickly connected and productive with USB-C® devices. If you're looking for real-time charging insights, our USB-C® cables are also available with an integrated power display, allowing you to monitor the charging wattage instantly.

Built to withstand robust daily use and over 30,000 bends, these cables feature a braided nylon exterior, reinforced metal alloy connectors, and a DuPont™\* aramid fiber core, providing superior strength and resistance to wear and tear.

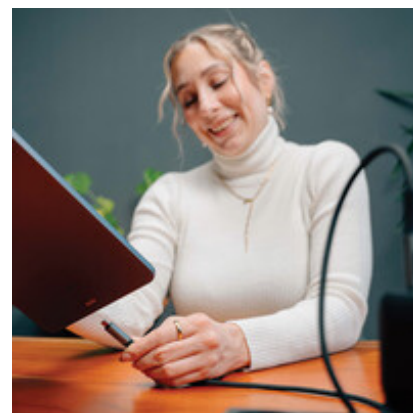

- High performing and universally compatible with a wide range of USB-C devices, this cable quickly charges devices and transfers the data of large files, 4K/8K videos on multiple devices for optimal connectivity and productivity
- With support for Power Delivery (PD) and Quick Charge protocols, this cable delivers up to 100W of power and data transfer speeds of up to 40Gbps
- USB4 ensures you're equipped for the next generation of connectivity, supporting Thunderbolt 3/4 devices
- Integrated LED charging display to instantly monitor your charging power
- DuPont™\* Aramid fiber inner fibers providing superior core strength
- Braided nylon exterior for resistance to abrasion
- Withstands over 30,000 bends for exceptional lifespan
- Almost 4 ft long cable – perfect for use for home, office, or on the go
- 2-year limited warranty
