<b>Brand</b>	Verbatim

Effortlessly and safely charge your phone on the road with Verbatim's Charge 'n' Drive Magnetic Wireless Car Charger!

Our Magsafe compatible wireless charger has built-in Neodymium magnets to securely grip Magsafe compatible phones and magnetic phone cases for fast charging. Our car charger also has inclusive, smart cooling fan and semiconductor chilling plate to prevent overheating.

Easy installation of our charger helps you take advantage of rapid, secure wireless charging right away. Simply install the charger with the included vent clip, or with a telescopic arm and suction cup on your car's dashboard or windshield. The charger attaches to the mount with a 360-degree swivel ball, enabling full flexibility for viewing and maneuvering your phone at any angle.

This sleek accessory, complete with a concave, tempered glass surface, makes for a smooth, stylish, hands-free connection as you focus on the road ahead!

- Magsafe compatible, this charger has built-in 16pc Neodymium Iron Boron magnets to securely grip magnetic phone cases.
- An inclusive, smart cooling fan and semiconductor chilling plate helps to prevent the charger from overheating.
- Car charger installation can be done with a vent clip, with a dashboard telescopic arm, or being mounted on the windshield. An attached, 360-degree swivel ball increases flexibility in maneuvering the charger while driving.
- USB-C to USB-C cable is required for charging. If your car doesn't have a built-in USB-C port, use a car power outlet or auxiliary power outlet charger.
- A concave, tempered glass charger surface makes for a smooth, yet stylish connection with your phone.
- 2-year limited warranty
