Power up your devices with our Verbatim USB-C Essentials Multiport Hubs!

Enhanced connectivity is at your fingertips with this 6-port hub, converting a single USB-C port into six versatile ports, including a USB 3.2 port for swift data transfer, an HDMI port that provides crystal clear image and displays, and an RJ45 ethernet port that provided uninterrupted and reliable internet connectivity.

With this hub's power delivery support and pass-through charging capabilities as well, you will never worry about running out of battery during critical tasks.

Our USB-C Essentials Multiport Hub is your go-to solution for seamless and efficient multitasking and is backed by a 2-year limited warranty.

- Transform a single USB-C port into six versatile ports, including USB 3.2, RJ45 and HDMI, to connect a wide range of devices
- Experience swift data transfer with the latest USB 3.2 Gen 1 technology up to 5Gb/s, ensuring efficient workflows and minimal wait times.* (supports max power 5V/0.9A for connection device)
- RJ45 ethernet port supports up to 1Gb/s speed, allowing you fast, uninterrupted internet connectivity and reliable network performance.
- The HDMI port supports high-resolution displays up to 4K 30Hz resolution, making it perfect for presentations, watching movies, or expanding your workspace with crystal-clear visuals
- Keep your devices charged while using the hub with pass-through charging capabilities (where supported) up to 100W, ensuring you never run out of battery during critical tasks.
- Plastic-free packaging

*Based on internal testing results. Depending on host drive, performance may vary.
