Rechargeable Batteries AA (70774)

Reorder Number	70774
Pack Size	1 pks
Capacity / Speed	2800 mwH
Brand	Verbatim

Verbatim Charge ‘n’ Go USB-C Rechargeable Batteries provide the convenience of USB-C charging with 2800 mwH of energy and consistent lithium-ion power for everyday AA devices.

Recharge devices directly with the included 4-into-1 charging cable or any standard USB-C cable you already own, eliminating the need for a separate charging cradle. Fully charge your AA USB-C batteries within 3 hours, with an easy-to-read LED indicator making it simple to check the charging status of each battery.

Optimized 1.5V regulated output is designed to provide safe, consistent device operation compared to the nickel-metal hydride (NiMH) and other legacy rechargeable battery technologies. The regulated output helps deliver seamless device compatibility and lasting performance without overheating or device damage.

An eco-friendly charging solution, each battery pack can replace up to 4,800 single-use alkaline batteries – reducing battery waste and long-term replacement costs.

Specifications

- Recharge your devices using the included 4-into-1 charging cable or any standard USB-C cable you already own—no separate charging cradle required.
- Fully charge your AA USB-C batteries within 3 hours. Built-in LED indicators allow you to see charging status while each battery recharges.
- As a lithium-ion battery, these batteries are optimized to deliver safe, consistent device operation, in contrast to nickel metal hydride and other legacy rechargeable technologies.
- Delivers 2800 mWh of energy for reliable, long-lasting power in everyday AA devices.
- Designed to power devices requiring standard AA batteries with consistent 1.5V performance.
- Helps provide lasting device performance without overheating or device damage associated with inconsistent power delivery.
- An eco-friendly charging solution, one battery package can replace up to 4,800 single-use alkaline batteries.

System requirements

· Compatible devices require AA batteries.

· USB-C power source and USB-C charging cable for recharging.

· Included 4-into-1 USB-C charging cable can charge up to four batteries.

General information

Package contents

- 4x Verbatim USB-C Rechargeable Batteries, 4pk - AA
- 1x 4-into-1 USB-C Charging Cable

Warranty

2-Year Limited
