Combining a groovy vinyl look with the rugged quality and performance of Verbatim CD-R technology comes Digital Vinyl CD-R, a recordable disc designed after the popular 45-rpm record format. Impossible to ignore, these attention-getters are a great way to save delicate LP collections, make a standout business presentation or simply burn your personal music mix. The 80min/700MB color-coded discs deliver reliable recording even at blazing drive speeds. Each disc comes protected by a special dual-layer coating that safeguards data for years to come.

- Vinyl design CD-Recordable disc
- Retro design with the performance of optical technology
- Each pack includes discs in 5 vibrant colors
- Ideal for LP-to-CD recordings, original music recording/mixing, unique appearance for distribution of presentations/artwork
- Verbatim Limited Lifetime Warranty
