Don't sacrifice performance for comfort! Get the best of both worlds with The Authentic F.R.E.Q. 2 Gaming Headset.

This headset features 40mm audio drivers that deliver rich bass with a wide audio range, without sacrificing any of the sound quality. The omni-directional microphone has greater flexibility of sound pick-up and is easy to store, retracting into the headset. Smart, in-line controls make it easy to adjust game volume or mute the microphone without taking a break from the action. With a universally compatible 3.5mm audio jack, the F.R.E.Q. 2 is ready to go anytime, anyplace!

The F.R.E.Q. 2 will be comfortable even after hours of gameplay. The suspension headband easily adjusts to fit all head sizes and keeps you comfortable with a foamed leatherette band.
