

Wireless Multi-Trac Blue LED Mice

Navigate virtually anywhere with the Verbatim Wireless Multi Trac Blue LED Optical Mouse. The comfort-grip shape provides ease of use while Blue LED technology allows users to point and click on more surfaces than other mice - from a glass table to the granite kitchen counter! The small nano receiver can be stored in the battery compartment, offering convenient storage and portability which makes this a great full-size go everywhere computer accessory.

Features & Benefits:

Blue LED - Navigate your computer anywhere, on more surfaces with precision and control without the annoyance of slow or no response.

Multi-surface Usability - Blue LED technology allows this mouse to be used on a glass* desk surface, granite counter tops, hardwood floors, airport carpeting or other surfaces.

Contour Comfort Shape - Comfortable enough for extended use with its ergo- friendly shape and easy grip surface

Wireless - 2.4GHz reliability and performance! Plug in the Nano receiver and forget about it! The small receiver plugs into your laptop's port and can stay; no need to plug and unplug bulky receiver or deal with cords.

Low Power - Efficient low power consumption requires only one AA battery

*Blue LED technology may not work on some glass or mirrored surfaces
