

External Slimline CD/DVD Writer

Part Number: 98938

CD's and DVD's remain among the most commonly used media types, however, more and more, laptop manufacturers are choosing to leave optical drives out of their newer models. The Verbatim External Slimline CD/DVD Writer offers laptop users a solution. Weighing a mere 12 ounces, this slim, lightweight external CD/DVD burner fits easily in a laptop bag, and allows users to read/write CD's and DVD's any time, any place.† For added convenience, the drive draws power from a USB port on your notebook or ultrabook – with no extra AC cables to transport. In addition to supporting all common CD and DVD formats, for both read and write functionality, the Verbatim External Slimline CD/DVD Writer is M DISC ready – providing an archival solution with industry-leading disc lifetime expectancies – ideal for backing up sensitive data, as well as music and video libraries. The Verbatim Slimline CD/DVD Writer features Nero Burn & Archive software for seamless archiving, and reliable secure disc burns. **

Perfect Portable Solution

Weighing a mere 12 ounces, this slim, compact drive fits easily into your laptop bag or backpack.

USB Power

The Verbatim External Slimline CD/DVD Writer draws power from the USB port on your notebook or ultrabook – no extra AC cables to transport.

Maximum Compatibility

The Verbatim External Slimline CD/DVD Writer provides users an all-in-one read/write solution for all of their optical media.† Including compatibility with these media types:

- CD-R
- CD-RW
