

Cables

Made from high quality materials and designed to reduce tangles, Verbatim cables are available for a variety of devices.

USB-C™ Cables

Designed for use with USB-C devices, these cables provide safe charging and data transfer.

USB-C™ to USB-C Cable

Beautifully designed from durable braided nylon, the Verbatim USB-C to USB-C cable allows you to connect two USB-C devices for simultaneous data transfer and power delivery and features a USB 3.0 interface for transfer speeds up to 5Gbps.
