

Hard Drives

Verbatim Hard Drives are designed to backup and protect your data with ease. With ultra-fast USB 3.0 connectivity, consumers can blaze through demanding tasks by reading and saving files faster. These drives feature Nero back-up software*, allowing full system backup and restore functions, and the ability to schedule automatic backup by date/time and an encrypted backup option with password control. Consumers can save their precious photos, videos, graphics, music, data and more in ultimate safety with Verbatim.

Key Features

Transfer Speed

USB 3.0 offers transfer speeds up to 10X faster than the USB 2.0 interface.

Backup Software

Includes Nero backup software* that enables full system backup and restore functions.

Green Button Software

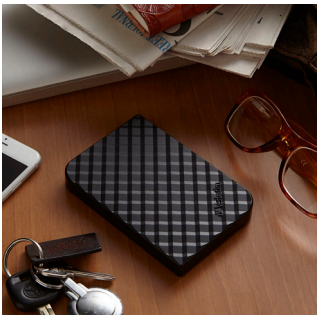

Green Button offers 3 sleep/suspend settings, saving power when the drive is not in use.

Formatter Software

Verbatim's Formatter software allows users to easily change the format of the drive from FAT32 to NTFS or HFS+, based on their preferences.

Warranty

Verbatim Hard Drives are backed by a 7-year limited warranty. Verbatim stands behind the quality of our products.

*Software compatible with Windows operating systems only

Hard Drives
