

Product Highlights:

- High-speed performance—leverages UHS-II technology (U3) for a read transfer speed up to 2000x (300MB/s)¹
- Includes SD UHS-II reader for high-speed file transfer from card to computer, dramatically accelerating workflow²
- Captures high-quality images and extended lengths of stunning 1080p full-HD, 3D, and 4K video with a DSLR camera, HD camcorder, or 3D camera.
- Backwards compatible with UHS-I devices
- Limited lifetime warranty for card and one-year limited warranty on reader

Capacities:

SDHC
32GB

SDXC
64GB
128GB

Professional-level performance you can trust

Lexar® Professional 2000x SDHC™/SDXC™ UHS-II cards let you quickly capture and transfer high-quality photos and 1080p full-HD, 3D, and 4K video, with a read transfer speed up to 2000x (300MB/s)¹. The cards leverage UHS-II technology (UHS Speed Class 3 (U3)) for high-speed performance. And with the included SD UHS-II card reader, you'll power through post-production with high-speed card-to-computer file transfer. This dramatically accelerates workflow from start to finish, so you can save time and get back to the business of photography. These cards also come with a limited lifetime warranty.

Quickly transfer files with included SD UHS-II reader, dramatically accelerating workflow. Using the reader that comes with the cards, you'll experience high-speed file transfer at UHS-II speeds. This dramatically accelerates workflow² from start to finish, getting you back to capturing the action faster.

Shoot high-quality images and 1080p full-HD, 3D, and 4K video. Using a DSLR, HD camcorder or 3D camera, you'll be able to leverage the latest photo and video features available for shooting high-quality images and stunning 1080p full-HD, 3D, and 4K video.

Backwards compatible at the highest UHS-I speeds. For versatility, the cards are also backwards compatible with UHS-I devices, performing up to the maximum thresholds of UHS-I speed capabilities (SDR104). The cards also work with older, non-UHS-I devices, performing at Class 10 speeds.

Rigorously tested. All Lexar product designs undergo extensive testing in the Lexar Quality Labs, facilities with more than 1,100 digital devices, to ensure performance, quality, compatibility, and reliability.

For more than 20 years, Lexar has been trusted as a leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, and solid-state drives. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores. For more information or support, visit www.lexar.com.

¹Up to 300MB/s read transfer, write speeds lower. Speeds based on internal testing. Actual performance may vary. X=150KB/s.
²Highest transfer speeds achieved only when paired with an SD UHS-II reader.

Actual usable memory capacity may vary. 1GB equals 1 billion bytes.

Limited lifetime warranty is limited to 10 years from purchase in Germany and regions not recognizing lifetime warranty.
