

CFexpress™ Type B Memory Cards

NX-B2SE Series

512GB / 256GB / 128GB

Nextorage

EMPOWER YOUR SHOOTING

NX-B2SE Series CFexpress Type B memory card is designed for professional photographers and enthusiasts who need to accurately capture the details of capture the split-second actions. Rigorously developed and tested, this card provide both reliable shooting and a comfortable workflow.

BOOST YOUR WORKFLOWS

Max. Read : 1,950MB/s *1

Max. Write: 1,900MB/s (512GB) *1

Reduces stress during shooting while shortening the time required to copy a huge number of cuts to a PC.

DURABILITY TESTED

NX-B1PRO and NX-B2SE series have -10°C to 70°C operating temperature resistance and passed the shock resistance test compliant with EIA-364-27A.

NX-B1PRO / NX-B2SE Series Durability

Compliant with CompactFlash Association regulations

Operating Temp. Resistance	14°F to 158°F (-10°C to 70°C)	UV Resistance	ISO7816-1 compliant
Shock Resistance	EIA-364-27A compliant	Magnetic Resistance	Based on Nextorage internal testing
X-ray Resistance	ISO7816-1 compliant	Anti-Static	Certified to IEC 61000-4-2 standard

*1 Based on Nextorage test conditions. Actual performance may vary and are dependent on environmental and usage.
