

Nextorage

Portable SSD

NX-P2SE Series

2TB / 1TB

SEAMLESS HIGH-SPEED DATA TRANSFER

NX-P2SE Series supports USB 3.2 Gen 2*1, enabling high-speed data transfer with a maximum read speed of 1,050 MB/s*2 and a maximum write speed of 1,000 MB/s*2. With this high-speed access, you can quickly transfer and back up data to your PC.

*1 To connect via SuperSpeed USB 10Gbps (USB 3.2 Gen 2), the device must be used with SuperSpeed USB 10Gbps (USB 3.2 Gen2) compatible devices.

*2 Based on Nextorage test conditions. The actual performance may vary with host devices and environments.

EASY DATA TRANSFER WITH ANY DEVICE

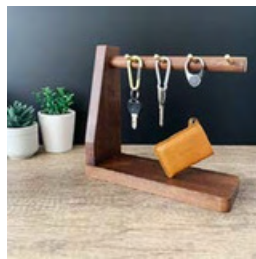

With included two cables, USB Type-C® to USB Type-C® and USB Type-C® to USB Type-A, NX-P2SE Series can be used as an external SSD for various devices such as PCs, tablets, smartphones, and game consoles. It comes pre-formatted in exFAT, so you can use it right away on Windows® PCs or Mac® after purchase. It operates with power supply from the USB cable, so you don't need to carry a power adapter with you.

LIGHTWEIGHT AND COMPACT DESIGN

With its compact size that fits in the palm of your hand and weight of only 19 g, you can easily manage large amounts of data in various places, such as indoors or on-the-go. Additionally, it has passed seven durability tests*3, making it resistant to shock and vibration, and protecting your data safely.

*3 All durability ratings are based on Nextorage test conditions. No guarantee is made that memory cards will be damage-free or that data will remain intact under all circumstances. Durability is evaluated with the carrying pouch removed.

CARRYING POUCH INCLUDED

The original PU leather, which feels good to the touch, is stain resistant and easy to maintain. With its sturdy build, you can carry your portable SSD around, protecting it from scratches and dirt.

Category	Series	Model	Capacity
SSD	NX-P2SE Series	NX-P2SE2TB	2,000GB
		NX-P2SE1TB	1,000GB
