Touchscreen Control

The Verbatim Portable Touchscreen Monitor is ready for work or play!

This portable monitor gives you a second screen for your laptop, phone, tablet, or portable gaming system* while on the go. The responsive and intuitive touch screen on this monitor has 10-point touch functionality, a feature allowing multiple users to perform independent functions simultaneously - perfect for your next work presentation or for personal use! If you are looking to get tasks done efficiently, the monitor's responsive screen also allows you to swipe, scroll, drag, and pinch images seamlessly. The built-in kickstand and tilt features only add to the convenience of this second monitor.

Compact and versatile, this high-definition monitor is an ideal solution to help overcome on-screen limitations, anytime and anywhere.

* Ensure your device has a USB-C port supporting DisplayPort Alt Mode and power delivery.
