

Store 'n' Go® V3 MAX USB 3.0 Drive

The all new Store 'n' Go V3 MAX USB Drive offers the ultimate in speed. With transfer speeds up to 300MB/sec, moving music or video libraries is a walk in the park! The dual-channel USB 3.0 interface offers faster data transfer speeds versus single-channel USB 3.0; making it easy to transfer multiple files at once or larger files without error. The retractable design keeps the connector and data protected without the worry of losing a cap.

Key Features

Transfer Speeds

Dual-channel SuperSpeed USB 3.0 increases transfer speed over 20 times faster than USB 2.0! Transfer files up to 300MB/sec.

Security

Password protection software* available for download to protect sensitive data.

Design

Verbatim's V3 MAX USB Drives feature a convenient cap-less design and that means less to lose and no more looking for lost caps in laptop bags! The retractable housing protects the USB connectors and easily slides in and out. Great in preventing breakage and prolonging product life!

Capacity

V3 USB Drives come in the most popular capacities from 8GB up to 64GB. Whether users have a lot or a little to save, Verbatim has a capacity to suit everyone's needs!

Lifetime Warranty

Verbatim USB Drives are backed by a lifetime limited warranty. Verbatim stands behind its products and our warranty proves it!
