

<b>Description</b>	Store 'n' Go® Corporate Secure USB Drive - FIPS Edition - 8GB
<b>Reorder Number</b>	96714
<b>Pack Size</b>	1 USB Drive
<b>Capacity/Speed</b>	8GB
<b>Brand</b>	Store 'n' Go®
<b>Surface</b>	Branded

The Store 'n' Go Corporate Secure FIPS Edition USB drives have been certified by the National Institute of Standards and Technology (NIST certificate #936) and the Communications Security Establishment of Canada (CSEC) to meet Federal Information Processing Standards (FIPS) 140-2 Level 2 requirements for cryptographic modules.

Required by many federal government agencies as well as certain highly regulated private sector companies, Verbatim Store 'n' Go Corporate Secure FIPS Edition USB drives contain additional data protection features including internal self-tests of cryptographic functions, and physical protection of the drive's internal security module to deter tampering.

Security measures include 256 bit AES hardware data encryption, password hashing algorithm, and a hack-resistant password entry that foils unauthorized attempts to gain access.

Optimized for maximum performance, Store 'n' Go Corporate Secure USB drives offer read and write speeds of up to 160X (24MB/sec) and 133X (20MB/sec).

### Features & Benefits

- FIPS 140-2 Level 2 Certified
- Mandatory user logon - Complex password required - 8 - 16 characters
- 256-bit AES hardware encryption
- Strong password protection – SHA-1 password hashing algorithm
- Hack resistant – device lockdown after 10 failed access attempts
- 100% of files are password protected
- Owner Identity Feature
- Device can be centrally managed
- Supported on Windows Vista, XP, 2000 SP4, Server 2003
- Limited Lifetime Warranty

### Packaging Information

<b>L x H x W (in)</b>	4.5 x 6.69 x 1.19
<b>Weight</b>	0.118 lb
<b>UPC#</b>	0 23942 96714 9
<b>Unit Quantity</b>	1 USB Drive
<b>Pallet Quantity</b>	1120 (1 USB Drive)

### Master Case Information

<b>L x H x W (in)</b>	5.19 x 7.81 x 5.81
<b>Weight</b>	0.84 lb
<b>UPC#</b>	500 23942 96714 4
<b>Quantity</b>	4 (1 USB Drive)

### Shipping Information

<b>Available Ship Date</b>	In Stock
<b>Country of Origin</b>	CN
<b>Tariff Code</b>	8523510000
<b>Warranty</b>	Limited Lifetime Warranty
<b>Minimum Order Qty</b>	4 (1 USB Drive)

1MB = 1,000,000 bytes 1GB = 1,000,000,000 bytes  
Some of the capacity is used for formatting and other functions, and thus is not available for data storage.  
As a result, your operating system may report fewer megabytes/gigabytes.
